Ask us... about any varieties that you can't find, we don't always have a crop available all the time but we can let you know when we have them in stock.

Hardy Highlanders

Our Pink Lady suggests that you visit us each month and choose some Hardy Highlanders to brighten up any dull parts of your garden at that time

A collection of hardy perennials that we recommend to be included in every garden

After dying down in winter they reappear and perform year after year

These plants are grown for us in the Scottish Highlands for Scottish gardens!

Choose varieties to give ongoing displays from Spring to Autumn (sizes given are height x spread)
