

## What you'll need to create your Herb Tower

\* Plant your tower in situ - it is very heavy to move once you've created it!

Tip  
• Regular watering & Feeding

• Keep cutting Herbs for Cooking

We used Italian Herbs:

TOP Thymes

MIDDLE oregano & Marjoram

BOTTOM sage & parsleys

LEAVE AT LEAST 3" (75mm) space for plants

SOIL LEVEL  
BOTTOM OF NEXT POT BURIED

COMPOST - use Arthur border MULTIPURPOSE + added John  
CHOOSE 3 POTS IN

IN DESCENDING SIZE

We've used:

ELHo plastic pots in different colour

& Terracotta pots

## Create a Herb Tower

Use three pots stacked on top of each other to create a pretty and productive tower of herbs.

Pick up our leaflet **HERBS** at **HOPETOUN** for lots of ideas of different recipes for your tower.

These ones are full of herbs used a lot in Italian Cooking:

Sage  
Marjoram  
Oregano  
Flat Leaved Parsley  
Different thymes
